☐ Mitigated Negative Declaration

Project Title: Non Time Critical Removal Action, Site 11, Crows Landing

State Clearinghouse Number: 2004112039

Contact Person: Francesca D'Onofrio Phone # (916) 255-3603

Project Location (Include County):

NASA Crows Landing Flight Facility, Crows Landing, CA 95313, Stanislaus County

Project Description:

Approval of a Removal Action Workplan for Site 11, a refuse and disposal site used from the late 1960's to 1982, located at the closed and inactive NASA Crows Landing Flight Facility, Crows Landing, California. The removal action will involve the excavation and transportation of approximately 6,020 CY of hazardous and non-hazardous debris, including office trash (such as paper), kitchen waste, scrap metal, and empty paint and pesticide containers, as well as potential OE materials.

Findings of Significant Effect on Environment:

No Significant Impact

Mitigation Measures:

None

This is to advise that the Department of Toxic Substances Control (DTSC), a Lead Agency, has approved the above described project on 6/2/2005 and has made the following determinations regarding the above described project:

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of this project.
4. A Statement of Overriding Considerations was not adopted for this project.
5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final environmental document with comments and responses and record of project approval is available to the public at the following location: 8800 Cal Center Drive, Sacramento, California 95826
